Rub with seasoning of your choice. Preheat your grill to medium-high or 400 ° F. Grill chops, uncovered, over direct heat for 12-16 minutes or until internal temperature of pork reaches 145 degrees F, turning chops over halfway during grilling. Loosely cover with foil; let rest for 10 minutes before serving.

COOKING & SERVING INSTRUCTIONS - Amana Meat Shop
Fasten the shutoff valve to the cold water pipe with the pipe clamp. Be sure the outlet end is solidly in the 1/4" drilled hole in the water pipe and that the washer is under the pipe clamp. Tighten the packing nut. Tighten the pipe clamp screws slowly and evenly so the washer makes a watertight seal.

Founded as a communal society in 1855 by German Pietists, the seven villages of Iowa ' s Amana Colonies make up a community whose crafts, architecture, and institutions reflect—and to an extent perpetuate—the German heritage of earlier residents. In this intriguing blend of sociolinguistic research and stories from Colonists both past and present, Philip Webber examines the rich cultural and linguistic traditions of the Amanas. Although the Colonies are open to the outside world, particularly after the Great Change of 1932, many distinctive vestiges of earlier lifeways survive, including the local variety of German known by its speakers as Kolonie-Deutsch. Drawing upon interviews with more than fifty Amana-German speakers in 1989 and 1990, Webber explores the nuances of this home-grown German, signaling the development of local microdialects, the changing pattern in the use of German in the Colonies, and the reciprocal influence of English and German on residents ' speech. By letting his sources tell their own stories of earlier days, in which the common message seems to be wir haben fun gehabt or " we had fun working together, " he illuminates the history and unique qualities of each Colony through the prism of language study. Webber ' s introduction to this paperback edition provides an up-to-date itinerary for visitors to the Colonies, information about recent publications on Amana history and culture, and an overview of expanded research opportunities for language study and historical inquiry. The result is an informative and engaging study that will be appreciated by linguists, anthropologists, and historians as well as by general readers interested in these historic villages.
