I was looking for a touch and feel book for sensory development for my baby, as she loves to explore and touch things with her hands right now. The pictures in this book are very bright and colorful, however, there is very little texture on the pages. Since this is advertised as a "baby touch and feel" book, I expected much more.

Series description: Baby Touch and Feel books are the perfect series for the very youngest readers. These small, padded books excite babies and toddlers with their foil and touch-and-feel covers. Each book in this affordable series contains twelve vibrant interior pages with bold, engaging images.

Introduces young readers to the animals and objects that go in the water, in a book with insets of holographic foil and textured cut-outs.

Stimulate a baby's developing vision and coordination with these bright and bold, high-contrast novelty board books. Babies are able to react and respond to simple patterns and contrasting colours just a few weeks after being born. As their eyes develop, high-contrast shapes, patterns and reflective surfaces give newborns something simple to focus on, respond to and interact with. Splish Splash aids the development of early coordination by encouraging babies to reach for and explore the bumpy, smooth and shiny textures. Babies will react with delight as they touch and feel the pictures of friendly sea creatures, while the simple text prompts parent interaction. The perfect first book to share with your baby! Also available: Moo Peek-a-Boo, On the Move, Funny Faces

Dragonflies zip zip zip and frogs croakity croak while bare feet splish splash in this board book all about the sounds of the river. Each spread features a touch and feel element that creates the sound described in the text. With beautiful illustrations, interesting textures and fun sounds, this highly interactive format is certain to tickle the senses.

"From taking a bath to getting a kiss good night, this book playfully details the nighttime rituals of every little one"--p. [4] of cover.

From furry ears to squishy footprints, there are all sorts of textures for baby to explore in this soft, sturdy book that encourages early learning.

Monkeys, mice, snakes, cats, and many other animals demonstrate how to act towards others.

Splat does not want to have a playdate with Spike. Spike will break his toys and eat all of his candy fish! And he does not want to learn how to swim—water is horrible, scary, and wet! He's sure that this is going to be the worst day ever. But when the rest of their classmates rush straight into the pool, Splat and Spike find that they may have more in common than they thought. Will Splat overcome his fear of water and get into the pool? And how can he help Spike to do the same?
