Beria: Stalin's First Lieutenant eBook: Knight, Amy ...

Beria — Stalin's First Lieutenant by Amy Knight is a well-written, exemplary biography that attempts to "challenge some basic assumptions" about Lavrenti Beria and his role in Stalinism and terror from the time of the October Revolution of 1917 to his execution in 1953. Robert C. Tucker, Professor Emeritus, Princeton University, has called this book "the first full-scale scholarly biography of Stalin's clever, cruel and domineering security chief."

Beria: Stalin's First Lieutenant. This is the first comprehensive biography of Lavrentii Beria, Stalin's notorious police chief and for many years his most powerful lieutenant. Beria has long symbolized all the evils of Stalinism, haunting the public imagination both in the West and in the former Soviet Union.

Beria: Stalin's First Lieutenant by Amy Knight

This is the first comprehensive biography of Lavrentii Beria, Stalin's notorious police chief and for many years his most powerful lieutenant. Beria has long symbolized all the evils of Stalinism, haunting the public imagination both in the West and in the former Soviet Union. Yet because his political opponents expunged his name from public memory after his dramatic arrest and execution in 1953, little has been previously published about his long and tumultuous career.

This is the first comprehensive biography of Lavrentii Beria, Stalin's notorious police chief and for many years his most powerful lieutenant. Beria has long symbolized all the evils of Stalinism, haunting the public imagination both in the West and in the former Soviet Union. Yet because his political opponents expunged his name from public memory after his dramatic arrest and execution in 1953, little has been previously published about his long and tumultuous career.

This book is a memoir of the daily life of two men from Georgia--Stalin and Beria--who sent millions to their graves.

There are some figures in modern history who stand out not just for their amoral conduct but their cruelty. This book explores the life of the notorious Beria, Stalin's henchman. The first part provides an outline of the turbulent history of Russia from 1900 to 1953, in order to set the background from which Beria emerged. The second section presents a biography of Beria from his youth, his early education, and his obsequious behaviour towards Stalin to his rise to be the head of the NKVD (KGB) and later to be amongst the most senior leaders of the Communist structure in the USSR. He was responsible for the deaths of millions (and for organising the Katy? massacre), infamous for murdering colleagues, and a sexual predator, and became the most feared man in the USSR next to Stalin. The third and fourth parts move away from history and biography to moral philosophy, in order to understand from where such evil conduct arises. The question of free-will is explored in the light of human insight, and these sections also discuss the most recent scientific claims concerning human behaviour, as well as the factors which influence people in decision making.

Stalin's Loyal Executioner, drawn from still-classified Soviet archives, chronicles the meteoric and bloody career of Nikolai Ezhov, NKVD leader and security chief, revealing the tragic scope of communist terrorism under Joseph Stalin.

Explanatory Note -- Glossary -- The Team Emerges -- The Great Break -- In Power -- The Team on View -- The Great Purges -- Into War -- Postwar Hopes -- Aging Leader -- Without Stalin -- End of the Road -- Biographies

The graphic novel that inspired the new Armando Iannucci movie which includes an all-star cast – Steve Buscemi, Simon Russell Beale, Jason Isaacs, Michael Palin, and Jeffrey Tambor. Fear, corruption and treachery abound in this political satire set in the aftermath of Stalin's death in the Soviet Union in 1953. When the leader of the Soviet Union, Joseph Stalin, has a stroke - the political gears begin to turn, plunging the super-state into darkness, uncertainty and near civil war. The struggle for supreme power will determine the fate of the nation and of the world. And it all really happened. A darkly comic tale about the power vacuum left behind by Stalin's death. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

This book offers a compelling and comprehensive account of what happened to the KGB when the Soviet Union collapsed and the world's most powerful and dangerous secret police organization was uncloaked. As Amy Knight shows, the KGB was renamed and reorganized several times after it was officially disbanded in December 1991--but it was not reformed. Knight's rich and lively narrative begins with the aborted August 1991 coup, led by KGB hard-liners, and takes us through the summer of 1995, when the Russian parliamentary elections were looming on the horizon. The failed coup attempt was a setback for the KGB because it led to demands from Russian democrats for a complete overhaul of the security services. As a result, the KGB's leaders were fired, its staff reduced, and its functions dispersed among several agencies. Even the elite foreign intelligence service was subjected to budget cuts. But President Yeltsin was reluctant to press on with reforms of the security services, because he needed their support in his struggle against mounting political opposition. Indeed, by the spring of 1995, the security services had regained much of what they had lost in the wake of the August coup. Some observers were even saying that they had acquired more power and influence than the old KGB. This story told by one of the foremost experts on the Soviet/Russian security services and enriched by face-to-face interviews with security professionals in Moscow, is crucial to understanding Russian politics in transition. It will fascinate scholars, policymakers, and general readers interested in the fate of the KGB.

Winner of the Pulitzer Prize Winner of the National Book Critics Circle Award The definitive biography of the mercurial Soviet leader who succeeded and denounced Stalin. Nikita Khrushchev was one of the most complex and important political figures of the twentieth century. Ruler of the Soviet Union during the first decade after Stalin's death, Khrushchev left a contradictory stamp on his country and on the world. His life and career mirror the Soviet experience: revolution, civil war, famine, collectivization, industrialization, terror, world war, cold war, Stalinism, post-Stalinism. Complicit in terrible Stalinist crimes, Khrushchev nevertheless retained his humanity; his daring attempt to reform communism prepared the ground for its eventual collapse; and his awkward efforts to ease the cold war triggered its most dangerous crises. This is the first comprehensive biography of Khrushchev and the first of any Soviet leader to reflect the full range of sources that have become available since the USSR collapsed. Combining a page-turning historical narrative with penetrating political and psychological analysis, this book brims with the life and excitement of a man whose story personified his era.
