By Antonin Korenek.

The Starcraft Islander is an aluminum boat used for deep-water fishing or cruising. It has a cuddy cabin for lounging or for escaping the elements along with windows to see outside. According to Boating Magazine, the boat is ideal for anglers who may want to speed off to a different spot or even a

Re: Starcraft Owner's Manual Needed I don't think there ever was a manual for the boat. My new 2011 Starcraft Islander never came with a manual. You get the manuals for the engine/drive, electronics, pumps, steering, controls and safety ect but no "boat" manual.
