Caterpillar C7 - C9 engine Manual & Parts Catalog

The main issue I have seen with C9 engines are the injectors. They are very sensitive to debris in the fuel system. The injectors just can't handle much dirt or debris at all. The engine will begin to lose power slowly if the fuel system gets contaminated. Also, there are issues with the HEUI pump as well.

Do you know of any past or current problems with the C9 ...

From marine diesel engines and generator sets to technology solutions, Caterpillar Marine is your partner on the water — backed by the worldwide dealer support network.
