In recent years it has been named to “best novels” lists by *Time*, *Newsweek*, the Modern Library, and the *London Observer*. Set in Italy during World War II, this is the story of the incomparable, malingering bombardier, Yossarian, a hero who is furious because thousands of people he has never met are trying to kill him. But his real problem is not the enemy—it is his own army, which

keeps increasing the number of missions the men must fly to complete their service. Yet if Yossarian makes any attempt to excuse himself from the perilous missions he's assigned, he'll be in violation of Catch-22, a hilariously sinister bureaucratic rule: a man is considered insane if he willingly continues to fly dangerous combat missions, but if he makes a formal request to be removed from duty, he is proven sane and therefore ineligible to be relieved. After the publication of his bestselling novel Catch-22, Joseph Heller usually chose to deny that any of his richly drawn characters were based on his actual war mates. However, to those who served with Heller in the 340th Bomb Group, the novel's characters were indeed recognizable—the hard-drinking, vengeful, and disillusioned Chief White Halfoat; young, sliced-in-half Kid Sampson; shrieking, frenzied Hungry Joe; Col. While Heller's fully developed characters stand solely, solidly, and uniquely on their own merits, The True Story of Catch-22 proves that any resemblance to persons living or dead is, in fact, actual. Catch 22, l'Article 22, est un " attrape-nigaud " qui permet à un colonel américain d'imposer un nombre de missions sans cesse croissant à son escadrille de bombardiers basée dans une petite île de la Méditerranée pendant la Seconde Guerre mondiale. Yossarian, héros tragicomique de cette épopée burlesque, est décidé à tout tenter pour sauver sa peau : il estime que sa seule mission, quand il s'envole, consiste à atterrir vivant.
