Now that the revision of the specification is completed, work is underway at maximum pace on this brand new resource, which is being written from scratch to cover both elements of the revised Further Mathematics GCSE from CCEA. The book sets out and explains the theory, and is followed by a generous number of questions. Answers are provided at the back of the book.

Aimed at Level 2 maths work and suitable to support the AQA Level 2 Certificate in Further Mathematics. Guide students through higher level maths work with this handy practice book, featuring short topic explanations, worked examples and loads of graded practice exercises that will stretch and challenge.

This book covers the complete Higher GCSE Mathematics course for years 11 and 12. Each chapter begins with Learning Objectives and pre-requisite knowledge. There are worked examples and full and clear explanations as well as teaching and learning tips throughout. Non-calculator and calculator questions are clearly indicated. Each chapter ends with a 'You should know' list of what has been covered in that chapter, and a summary exercise, as well as past exam questions.

Easing the transition from GCSE to AS level, this textbook meets the 2004 Edexcel specifications and provides numerous worked examples and solutions to aid understanding of key concepts.

Target success in CCEA GCSE English Language with this proven formula for effective, structured revision; clear guidance is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their skills. With My Revision Notes every student can: - Plan and manage a successful revision programme using the topic-by-topic planner - Feel confident tackling each question type by completing tasks for Reading and Writing in Units 1 and 4 - Practise exam skills with 'Test Yourself' activities, supported by easy-to-understand mark schemes and annotated example responses - Improve exam technique through expert tips, examples of typical mistakes to avoid and exam preparation advice - Check their progress and identify areas for improvement using the online answers for every practice question

Exam Board: CCEA Level: GCSE Subject: Science First Teaching: September 2017 First Exam: June 2019 Build your students' scientific thinking and practical skills with this textbook developed specifically for the 2017 GCSE specifications, from the No. 1 publisher for CCEA GCSE Science. - Develop understanding with clear Examples, Tips and Practical activities. - Prepare students for assessment with Test Yourself questions, Maths practice and Exam-style questions throughout. - Supports Foundation and Higher-tier students in one book.
