Ash hasn't had much time to figure out the mystery of Eco's appearance. Ansullivan is under attack by a kind of dragon no one's ever seen before--one that smells like death and regenerates when injured. As if that's not enough for a young dragon rider to deal with, the student council is recruiting, and a tempestuous member of the royal family is about to pay Ansullivan a fateful visit.

The truth about Eco's dragon form has to be kept secret, and a new headmistress is at the academy to keep an eye on them--but we may have a hidden agenda. When Ash and Eco wind up needing to stay in Sylvia's residence, they find a stuffed dragon from Sylvia's childhood. What does it mean, and how will its discovery impact the bond between the three friends?
