'Exploring Strategy has had a world-wide impact as a text in strategic management and unusually has achieved this notable position with the very best of European scholarship and writing. The approach to strategy is inclusive; the writing is direct and accessible; the case examples are vivid and contemporary; and the material in the book is always being updated.'

"We are delighted to offer this twelfth edition of Exploring Strategy. With sales of previous editions now well over one million worldwide, we believe we have a tried and tested product. Yet the strategy field is constantly changing. For this edition, therefore, we have thoroughly refreshed all chapters, with new concepts, new cases and new examples throughout. Here we would like to highlight three principal changes, while recalling some of the classic features of the book"--
