Belgium's one man death-doom project "Gateway" unleashes it's self-titled debut, the follow-up to last year's well received 3-track demo "Aeternae". Gateway returns with 40 minutes of sluggish and barbaric death metal infused with ungodly doom and sludge.

Tom Swift, aboard the science survey ship "Hawking," discovers unusual sunspot activity indicating the sun will soon explode, destroying all life in the solar system.

In a reader-participation adventure, readers must save Avalon from the monsters and plagues that enter the world from an open gateway, which leads into the Kingdom of the Dead.
