world trade and, indeed, in every school which produces the future traders. It is an essential tool of all global thinking.' - The Geographical Magazine The 132nd edition of The Statesman's Year-Book has been thoroughly revised and updated to present a political, economic and social record of the nations of the world in a period of continuing changes. Areas covered range from history, population, constitution and government, international relations, energy and natural resources, industry, agriculture, international trade, communications, industry, agriculture, justice, religion and education. Important features of this edition include recent developments in the European Union, Bosnia, Israel, Russia and South Africa, new national anthems, and updates on radio and television broadcasting services. Last year also saw the introduction of locator maps for each country. The Statesman's Year-Book was chosen by The Good Book Guide for Business as one of the 600 essential books for the international manager
