### HARVEST-OF-HOPE

The Harvest of Hope Foundation is a 501 non-profit foundation which provides emergency and educational financial relief to migrant farmworkers and their families. Federal, state and other public aid to migrant farmworkers has become increasingly restrictive, and in many cases, not available at all. The goal of the Harvest of Hope Foundation is to fill in the gaps in service to this most hard-working and deserving, yet needy group of laborers.

Corporate Partnership with Harvest of Hope Pantry provides a meaningful marketing and network platform for our partners, while simultaneously supporting a crucial program for residents in Boulder.

**Home—Harvest-of-Hope-Pantry**

Harvest of Hope was a project that operated as an extension of the services offered by Abalimi Bezekhaya (meaning farmers of the home in isiXhosa), a non-profit organisation. Abalimi's aim is to provide basic human necessities for indigent persons, by assisting impoverished groups and communities within the area of greater Cape Town known as the Cape Flats to establish and maintain their own vegetable gardens, so as to enable those groups and communities to supplement their existing ...
