High School Yearbook Curriculum - Park Hill School District

There are specific, regimented rules for yearbook design, writing and photography that you need to be acquainted with and follow. Also understand that the award-winning yearbooks emulate magazines, which means that yearbook design, writing, and photography trends evolve with the changes seen in periodicals. In other words, a yearbook curriculum should not only teach the concrete rules of journalism and yearbook production, but also should challenge students to break the rules and innovate.
