"Amy was one of those rare people who made an impact . . . She was a bundle of emotions, at times adorable and at times unbearable. . . . Amy's passing did not follow a clear line. It was jumbled, and her life was unfinished—not life's natural order at all. She left no answers, only questions, and in the years since her death I've found myself trying to make sense of the frayed ends of her extraordinary existence." Arguably the most gifted artist of her generation, Amy Winehouse died tragically young, aged just twenty-seven. With a worldwide fan base and

millions of record sales to her name, she should have had the world at her feet. Yet in the years prior to her death, she battled with addiction and was frequently the subject of lurid tabloid headlines. Amy's mother, Janis, knew her in a way that no one else did. In this warm, poignant, and at times heartbreaking memoir, she tells the full story of the daughter she loved so much. As the world watched the rise of a superstar, then the free fall of an addict to her tragic death, Janis simply saw her Amy: the daughter she'd given birth to, the girl she'd raised and stood by despite her unruly behavior, the girl whose body she was forced to identify two days after her death—and the girl she's grieved for every day since. Including rare photographs and extracts from Amy's childhood journals, *Loving Amy* offers a new and intimate perspective on the life and untimely death of a musical icon.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational."

—Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters *Four mothers, four daughters, four families* whose histories shift with the four winds depending on who's

File Type PDF Loving Amy A Mothers Story

"saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

There's something wrong with Rose. From the outside, the Cane family looks like they have it all. A successful military father, a loving mother and five beautiful teenage daughters. But on the inside, life isn't quite so idyllic: the Cane sisters can barely stand each other, their father is always away and their neglectful mother struggles with addiction and depression. When their youngest

and most beloved sister, Rose, dies in a tragic accident, Mona Cane and her sisters are devastated. And when she is brought back from the dead, they are relieved. But soon they discover that Rose must eat human flesh to survive, and when their mother abandons them, the sisters will find out just how far they'll go to keep their family together.

Mother of Amish Schoolhouse Shooter Gives Message of Hope and Healing Who would have believed all the beauty God would create over the nine years since that awful day. On October 2, 2006, a gunman entered an Amish one-room schoolhouse, shooting ten girls, killing five, then finally taking his own life. This is his mother's story. Not only did she lose her precious son through suicide, but she also lost her understanding of him as an honorable man. Her community and the world experienced trauma that no family or community should ever have to face. But this is, surprisingly, a story of hope and joy--of God revealing his grace in unexpected places. Today Terri lives in harmony with the Amish and has built lasting relationships that go beyond what anyone could have thought possible. From the grace that the Amish showed Terri's family from day one, to the visits and ongoing care Terri has given to the victims and their families, no one could have foreseen the love and community that have been forged from the fires of tragedy. Let Terri's story inspire and encourage you

Way to go Girlfriend... you finally did it! You wrote a book and it's a winner! I can't wait to share this with my family and friends!" -Kathy Glover, friend to both Annette and her mamma

While the Grohl family had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against

success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, *From Cradle to Stage* will appeal to mothers and rock fans everywhere.

Sarah's dreams of having a family seem hopeless. And then there's Shannon, who's in trouble at school yet again. But what these four women don't know is that someone - or something - is watching them.
