"A new star is rising in the fantasy firmament...teems with magic and spine-chilling amounts of skullduggery."—Dave Duncan, author of *The Great Game* When young Alec of Kerry is taken prisoner for a crime he didn't commit, he is certain that his life is at an end. But one thing he never expected was his cellmate. Spy, rogue, thief, and noble, Seregil of Rhiminee is many things—none of them predictable. And when he offers to take on Alec as his apprentice, things may never be the same for either of them. Soon Alec is traveling roads he never knew existed, toward a war he never suspected was brewing. Before long he and Seregil are embroiled in a sinister plot that runs deeper than either can imagine, and that may cost them far more than their lives if they fail. But fortune is as unpredictable as Alec's new mentor, and this time there just might be...*Luck in the Shadows*.

Seregil--thief, con artist, and spy in the employ of the queen's wizard--takes an apprentice in his struggle against a surreal world of intrigue, magic, and politics engineered by Plenimar, the queen's ancient foe. Original.

With their most treacherous mission yet behind them, heroes Seregil and Alec resume their double life as dissolute nobles and master spies. But in a world of rivals and charmers, fate has a different plan.... After their victory in Aurënen, Alec and Seregil have returned home to Rhiminee. But with most of their allies dead or exiled, it is difficult for them to settle in. Hoping for diversion, they accept an assignment that will take them back to Seregil's homeland. En route, however, they are ambushed and separated, and both are sold into slavery. Clinging to life, Seregil is sustained only by the hope that Alec is alive. But it is not Alec's life his strange master wants—it is his blood. For his unique lineage is capable of producing a rare treasure, but only through a harrowing process that will test him body and soul and unwittingly entangle him and Seregil in the realm of alchemists and madmen—and an enigmatic creature that may hold their very destiny in its inhuman hands.... But will it prove to be savior or monster?

With the Leran threat laid to rest, Alec and Seregil are now able to turn their attention to the ancient evil which threatens their land. The Plenimarans, at war with Skalans, have decided to defeat their ancient enemy by raising up the Dead God, Seriamaius. The early attempts at this reincarnation--masterminded by the sinister Duke Mardus and his sorcerous minion Vargul Ashnazai--once left Seregil in a sorcerous coma. Now, an ancient prophecy points to his continuing role in the quest to stop Mardus in his dread purpose. Seregil's friend and Mentor, the wizard Nysander, has long been the guardian of a deadly secret. In a secret, silver-lined room hidden well beneath the Oreska, he has served for most of his 300 years as the keeper of a nondescript clay cup. But this cup, combined with a crystal crown and some wooden disks, forms the Helm of Seriamaius, and any mortal donning the reconstructed Helm will become the incarnation of the god on earth. Nysander holds the cup and Mardus the wooden disks--one of which was responsible for Seregil's coma--but the crown must still be located. Threatened under pain of death by Nysander to keep his quest a secret even from his loyal companion, Alec, Seregil is dispatched to find the last missing piece of the Helm so that he and Nysander can destroy it. But this is only the beginning of one of his deadliest journeys ever, for the prophecy also holds that four will come together in a time of darkness, and gradually all that Seregil values is placed at risk as he, Alec, Nysander and Micum are drawn into a deadly web of terror and intrigue.

To reclaim his powers, wizard Felix Harrowgate must restore the magical talisman known as the Virtu-by confronting the dark sorcerer who destroyed it.

Master spies Seregil and Alec are no strangers to peril. Their assignments, nightrunning for wizards and nobles, have led them into many deadly situations. But sometimes the greatest danger can lurk beneath a *Traitor's Moon*. . . . Wounded heroes of a cataclysmic battle, Seregil and Alec have spent the past two years in self-imposed exile, far from their adopted homeland, Skala, and the bitter memories there. But as the war rages on, their time of peace is shattered by a desperate summons from Queen Idralain, asking them to aid her daughter on a mission to Aurënen, the very land from which Seregil was exiled in his youth. Here, in this fabled realm of magic and honor, he must at last confront the demons of his dark past, even as Alec discovers an unimagined heritage. And caught between Skala's desperate need and the ancient intrigues of the Aurënfäie, they soon find themselves snared in a growing web of treachery and betrayal.

It began with shadows—shadows where they didn't belong, that almost had an existence of their own. Tony tried to ignore it—until he found Nikki Waugh's body, and felt the shadow's touch, and a stunt crash went wrong for no discernible reason—and Tony knew that he had to find out what was threatening everyone on the set.
