Cut the clutter, live better with less, give yourself headspace, and enjoy life more. *Creating Space* shows you how taking steps to clear and simplify your living space can also clear your mind, improve your relationships, and enhance your well-being. This room-by-room guide to organizing and decluttering your home is packed with ideas, advice, tips, and techniques that are practical and functional as well as beautiful. Turn chaos into calm with step-by-step methods that you can adapt and sustain for your own needs. When you stop allowing your life to revolve around things that don't matter, you instantly gain energy to focus on the things that do. Reclaim your space, your time, and your mind right now, to reorganize your living space into a place of sanctuary.

Often life seems to be about having or achieving more, but what happens when we choose less? Discover the joys of simplicity and moderation with practical exercises to clear your home, calendar and mind. Through fascinating anecdotes and intriguing vignettes, *How to Make Space* reveals how people throughout history and around the world have embraced a simpler life, from Buddhist monks to Swedish Lagom and modern minimalism. Be inspired to follow their example and reap the benefits of more time, more clarity, more joy, more space.

"If you are determined to encourage creativity and provide a collaborative environment that will bring out the best in people, you will want this book by your side at all times." -Bill Moggridge, Director of the Smithsonian's Cooper-Hewitt National Design Museum

"*Make Space* is an articulate account about the importance of space; how we think about it, build it and thrive in it." -James P. Hackett, President and CEO, Steelcase

An inspiring guidebook filled with ways to alter space to fuel creative work and foster collaboration. Based on the work at the Stanford University d.school and its Environments Collaborative Initiative, *MakeSpace* is a tool that shows how space can be intentionally manipulated to ignite creativity. Appropriate for designers charged with creating new spaces or anyone interested in revamping an existing space, this guide offers novel and non-obvious strategies for changing surroundings specifically to enhance the ways in which teams and individuals communicate, work, play--and innovate. Inside are: Tools--tips on how to build everything from furniture, to wall treatments, and rigging Situations--scenarios, and layouts for sparking creative activities Insights--bite-sized lessons designed to shortcut your learning curve Space Studies--candid stories with lessons on creating spaces for making, learning, imagining, and connecting Design Template--a framework for understanding, planning, and building collaborative environments

*Make Space* is a new and dynamic resource for activating creativity, communication and innovation across institutions, corporations, teams, and schools alike. Filled with tips and instructions that can be approached from a wide variety of angles, *Make Space* is a ready resource for empowering anyone to take control of an environment.

More than just a stylish design book: The founder of Parachute Home teaches you how to design a home that's not only beautiful but mindful, functional, and uniquely you. A house is a structure that provides shelter. A home tells the story of who you are. How to Make a House a Home guides your discovery of what is most important to you in achieving warmth and comfort as well as a functional space. Explore the possibilities of creating an environment that is uniquely yours—one that welcomes, nurtures, and inspires. Parachute founder Ariel Kaye meets you wherever you are, with actionable tips and advice on how to match purpose with style. Here is everything you need to bring mindful choices into your home to make it completely you, from color palettes to organization, house plants to furniture. Whether you want to update your bedding, redo your living room, or take on the whole house, enjoy the remarkable journey of making your house your home.

"Everyone knows that finding the right house at the right price is the goal right? But how do you actually do that? And are all of the deal breaking critical steps in between? That is what this book is all about ... everything you need to know about buying your first home"--Page 4 of cover.

The Tall House is a children's picture book about a house that reached the sky.

Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of *The Clutter Book*, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you have, this is the book for you.
