technology. As part of the Makino UPJ-2, the world's only conventional horizontal wire EDM machine, WireWIZARD technology delivers higher speed and better surface finishes with fewer passes and superior accuracy, with substantially reduced consumable and maintenance costs.

EDM | Makino

Makino is the world leader in EDM (Electrical Discharge Machining). With more than 140 patents, a Makino EDM means faster processing times and superior surface finishes for even the most complex part geometries. See how Makino turns innovation and technology into increased production and a lower cost per part for our customers.
