For the first time in a beautiful new edition, this omnibus will collect together the original official novelizations of both Ghostbusters 1 and 2. Relive the classic Ghostbusters stories with the original movie novelizations reprinted for the first time since 1980s. When Dr. Peter Venkman and his Columbia University colleagues are kicked out of their prestigious academic posts, they start a private practice as professional ghost-catchers. Although things do not start auspiciously for the three parascientists, their television advertisements finally pay off when beautiful Dana Barrett contracts them. It seems her apartment has become the entryway for ghastly ghosts and goofy ghouls hellbent on terrorising New York City. Soon they're not just going to her rescue, but trying to rid the whole city of the slimy creatures. After waging a war on slime that cost New York City millions, the Ghostbusters find themselves out of business until an ancient tyrant, preparing a return to the Earthly domain

It's summer in the small seaport town of Astoria and The Goonies are restless. Big developers threaten to take over the town. Then Mikey finds an old pirate map and the kids take off to find the loot that can save their neighborhood. But they never counted on skeletons with swords, a booby-trapped underground passage and the murderous ex-con, all of whom want the Goonies' head. Take the oath. Join the adventure.

NEW YORK TIMES BESTSELLER • This official Minecraft novel is an action-packed thriller! When a new virtual-reality version of the game brings her dreams—and doubts—to life, one player must face her fears. Bianca has never been good at following the plan. She 's more of an act-now, deal-with-the-consequences-later kind of person. But consequences can 't be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, almost paralyzed by her injuries, Bianca is faced with questions she 's not equipped to answer. She chooses instead to try a new virtual-reality version of Minecraft that responds to her every wish, giving her control over a world at the very moment she thought she 'd lost it. As she explores this new realm, she encounters a mute, glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton, two kids who are also playing on the hospital server, to save her friend. But the road to recovery isn 't without its own dangers. The kids are swarmed by mobs seemingly generated by their fears and insecurities, and now Bianca must deal with the uncertainties that have been plaguing her: Is Lonnie really in the game? And can Bianca
