Napoleon Soldier Of Destiny

This volume is an even, balanced, and accurate biography of Napoleon, the first volume in a two-volume study that presents Napoleon the man, not merely Napoleon the soldier and general, the statesman, and head of state.

Napoleon: soldier of destiny - The Tablet

Michael Broers, Napoleon, Soldier of Destiny © Faber&Faber, 2014. This is volume one of Michael Broers ’ biography of Napoleon. Yes, it ’ s Napoleon ’ s life story. But there are some striking new takes which make it a fascinating read. One that spoke to me was Broers ’ insistence on the Corsican childhood. The Oxford academic ’ s distinction between Corsicans of the interior and the Corsican coastlanders (aptly set against the image of the Anglo-Irish of the Pale and the Irish of the ...

Napoleon Bonaparte: a man of intense emotion, iron self-discipline,

File Type PDF Napoleon Soldier Of Destiny

acute intelligence and immeasurable energy. Michael Broers brings this remarkable man to life, from his dangerous Corsican roots to the epic battles of Austerlitz, Jena and Friedland. Here is the incredible story of how one man's sheer determination, ruthlessness and careful calculation drove France to conquer Europe. This is the first volume of a revelatory new biography of the great ruler told with energy, style and brand new research. Here is the first life in which Napoleon speaks in his own uncensored voice - but not always as he wanted the world to hear him.

All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. This is the first life of Napoleon, in any language, that makes full use of his newly released personal correspondence compiled by the Napoléon Foundation in Paris. All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. Michael Broers' biography draws on the thoughts of Napoleon himself as his incomparable life unfolded. It reveals a man of intense emotion, but also of iron self-discipline; of acute intelligence and immeasurable energy. Tracing his life from its dangerous Corsican roots, through his rejection of his early identity, and the dangerous military encounters of his early career, it tells the story of the sheer determination, ruthlessness, and careful calculation that won him the precarious mastery of Europe by 1807. After the epic battles of Austerlitz, Jena and Friedland, France was the dominant land power on the continent. Here is the first biography of Napoleon in which this brilliant, violent leader is evoked to give the reader a full, dramatic, and all-encompassing portrait.

Written with great energy and authority—and using the newly available personal archives of Napoleon himself—the first volume of a majestic two-part biography of the great French emperor and conqueror.

This is the first life of Napoleon, in any language, that makes full use of the new version of his Correspondence compiled by the Fondation Napoléon in Paris to replace the sanitized compilation made under the Second French Empire as a propaganda exercise by his nephew, Napoleon III. All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. Michael Broers' biography draws on the thoughts of Napoleon himself as his incomparable life unfolded. It reveals a man of intense emotion, but also of iron self-discipline; of acute intelligence and immeasurable energy. Tracing his life from its dangerous Corsican roots, through his rejection of his early identity, and the dangerous military encounters of his early career, it tells the story of the sheer determination, ruthlessness and careful calculation that won him the precarious mastery of Europe by 1807. After the epic battles of Austerlitz, Jena and Friedland, France was the dominant land power on the continent. Here is the first life in which Napoleon speaks in his own voice, but not always as he wanted the world to hear him.

This book deals with the life of Napoleon, that makes full use of the new version of his Correspondence compiled by the Fondation Napoléon in Paris to replace the sanitized compilation made under the Second French Empire as a propaganda exercise by his nephew, Napoleon III. This book draws on the thoughts of Napoleon himself as his life unfolded.

Like volume one of Michael Broers' s magnificent biography, *The Spirit of the Age* is based on the new version of Napoleon' s correspondence, made available by the Fondation Napoléon in Paris. It is the story of Napoleon' s conquest of Europe—and that of his magnificent Grande Armée—as they sweep through the length and breadth of Europe. This narrative opens with Napoleon' s as yet untested army making its way through the Bavarian Alps in the early winter of 1805 to fall upon the

File Type PDF Napoleon Soldier Of Destiny

unsuspecting Austrians and Russians at Austerlitz. This was only the beginning of a series of spectacular victories over the Prussians and Russians over the next two years. The chronicle then follows the army into Spain, in 1808, the most ill-considered step in Napoleon ' s career as ruler, and then through the most daunting triumph of all, the final defeat of Austria at Wagram, in 1809, the bloodiest battle in European history up to that time.

Draws on current research to profile Napoleon as a military leader, lover, and emperor, tracing his career from his Corsican roots through the years of the French Revolution and battle triumphs, and chronicling his coronation and eventual defeat and imprisonment. Reprint. 12,500 first printing.

In this second volume of Philip Dwyer ' s authoritative biography on one of history ' s most enthralling leaders, Napoleon, now 30, takes his position as head of the French state after the 1799 coup. Dwyer explores the young leader ' s reign, complete with mistakes, wrong turns, and pitfalls, and reveals the great lengths to which Napoleon goes in the effort to fashion his image as legitimate and patriarchal ruler of the new nation. Concealing his defeats, exaggerating his victories, never hesitating to blame others for his own failings, Napoleon is ruthless in his ambition for power. Following Napoleon from Paris to his successful campaigns in Italy and Austria, to the disastrous invasion of Russia, and finally to the war against the Sixth Coalition that would end his reign in Europe, the book looks not only at these events but at the character of the man behind them. Dwyer reveals Napoleon ' s darker sides—his brooding obsessions and propensity for violence—as well as his passionate nature: his loves, his ability to inspire, and his capacity for realizing his visionary ideas. In an insightful analysis of Napoleon as one of the first truly modern politicians, the author discusses how the persuasive and forward-thinking leader skillfully fashioned the image of himself that persists in legends that surround

File Type PDF Napoleon Soldier Of Destiny

him to this day.

The definitive biography of Napoleon, revealing the true man behind the legend "What a novel my life has been!" Napoleon once said of himself. Born into a poor family, the callow young man was, by twenty-six, an army general. Seduced by an older woman, his marriage transformed him into a galvanizing military commander. The Pope crowned him as Emperor of the French when he was only thirty-five. Within a few years, he became the effective master of Europe, his power unparalleled in modern history. His downfall was no less dramatic. The story of Napoleon has been written many times. In some versions, he is a military genius, in others a war-obsessed tyrant. Here, historian Adam Zamoyski cuts through the mythology and explains Napoleon against the background of the European Enlightenment, and what he was himself seeking to achieve. This most famous of men is also the most hidden of men, and Zamoyski dives deeper than any previous biographer to find him. Beautifully written, Napoleon brilliantly sets the man in his European context.

Napoleon Bonaparte dominated the public life of Europe like no other individual before him. Not surprisingly, the story of the man himself has usually swamped the stories of his subjects. This book looks at the history of the Napoleonic Empire from an entirely new perspective- that of the ruled rather than the ruler. Michael Broers concentrates on the experience of the people of Europe- particularly the vast majority of Napoleon's subjects who were neither French, nor willing participants in the great events of the period- during the dynamic but short-lived career of Napoleon, when half the European continent fell under his rule. In a new edition of a highly acclaimed book, Broers weaves together a myriad of regional experiences to produce a social history of the Napoleonic Empire with a truly panoramic scope.
