so hopefully I can get another 10+ years out of my new favorite vehicle! Used Sticker shock at price of replacing O2 sensor. But overall great service. Very grateful that the work was done in one day?

Understanding what constitutes expertise in language learning and teaching is important for theoretical reasons related to psycholinguistic, and applied linguistic, enquiry. It also has many significant applications in practice, particularly in relation to the training and practice of language teachers and improvements in students' strategies of learning. In this volume, methodologies for establishing what constitutes expert practice are discussed and the contributions address the fields of listening, reading, writing, speaking and communication strategies, looking at common characteristics of the 'expert teacher' and the 'expert learner'.

The Yeasts: A Taxonomic Study is a three-volume book that covers the taxonomic aspect of yeasts. The main goal of this book is to provide important information about the identification of yeasts. It also discusses the growth tests that can be used to identify different species of yeasts, and it examines how the more important species of yeasts provide information for the selection of species needed for biotechnology. • Volume 1 discusses the identification, classification and importance of yeasts in the field of biotechnology. • Volume 2 focuses on the identification and classification of ascomycetous yeasts. • Volume 3 deals with the identification and classification of basidiomycetous yeasts, along with the genus Prototheca. High-quality photomicrographs and line drawings Detailed phylogenetic trees Up-to-date, clearly presented yeast taxonomy and systematic, easy-to-use reference sequence accession numbers to allow for correct identification
