Nursing Students Gone Wild! How a Professional Behaves Nursing Law For Students In

Introduction. This chapter examines how the law influences nursing. It begins by highlighting that the Nursing and Midwifery Council's Code, which sets out the standard for professional practice, is under- pinned by the law. The chapter then defines the term 'law' and considers how laws are made by looking at the role of Parliament and the courts. You are then introduced to the published forms of law and are encouraged to become familiar with the main features of an Act of Parliament ...

Chapter 1 Introduction to law in nursing

The law went into effect immediately on December 19, 2017; however, the requirement to obtain a baccalaureate in nursing within 10 years of initial licensure will take effect 18 months after the act became law. (See NYS Senate Bill S6768 for further information).
