North America's Forgotten Past - Wikipedia

In this first of their "People"-series there are no splendid villages, no beautiful landscapes, no rich cultures, only the harsh reality of a long arctic winter. But in the midst of this gruesome environment a tiny group of humans are struggling to survive on their way into a continent their offspring is destined to conquer.

humans struggling to survive the ice age. It does a good job of describing the battle of these early people against cold, hunger and each other.

People of the Wolf: A Novel of North America's Forgotten ...

People of the Wolf attempts to depict and understand the lives of humans struggling to survive the ice age. It does a good job of describing the battle of these early people against cold, hunger and each other. However, the over-emphasis on mysticism and the portrayal of mystic occurrences as reality are unconvincing and undercut the realistic elements of the story. Dreams are shown to predict ...
