When you revise, you'll want to work to "see" your writing as your audience might see it. It's important to allow some time between drafting and revision to really help you "re-see" your work with fresh eyes. The Revision Checklist found below will help you focus on some key issues as you edit. There are two versions of the checklist below.

How to Write a Research Paper / A Beginner's Guide

Revising & Editing a Research Paper. Revising isn't the first step in the process of writing a research paper, but it is perhaps the most important. Many students skip the revision process, mistaking editing for revision. While editing is also very important, revision is an integral part of any good writing process.
