The past returns to haunt Captain Jean-Luc Picard—a crime he thought long buried has been exposed, and he must return to Earth to answer for his role in a conspiracy that some call treason. An electrifying thriller starring Captain Jean-Luc Picard set in the Star Trek: The Next Generation universe. Captain Jean-Luc Picard, his ship repaired, must now reassemble his crew. With the departure of both William Riker and ship's counsellor Deanna Troi, the captain must replace his two most trusted advisors. He chooses a Vulcan, a logical choice, and for his new first officer, Worf. But the Klingon refuses the promotion and the new ship's counsellor appears to actively dislike Worf. A simple shake-down mission should settle everything. Except that once again, the captain hears the song of the Borg collective. Admiral Janeway is convinced that the Borg have been crushed and are no longer a threat. Picard believes she is wrong, and that if the Enterprise doesn't act the entire Federation will be under the domination of its most oppressive enemy.

Continuing the milestone 50th anniversary celebration of Star Trek—an epic new trilogy that stretches from the events of The Original Series movie The Search for Spock to The Next Generation! The Klingon Empire stands on the precipice. In the wake of violence from the cult known as the Unsung, paranoia threatens to break Chancellor Martok’s regime. Klingons increasingly call for a stronger hand to take control...one that Lord Korgh, master manipulator, is only too willing to offer. But other forces are now in motion. Assisted by a wily agent, the Empire’s enemies secretly conspire to take full advantage of the situation. Aboard the USS Titan, Admiral William T. Riker realizes far more than the Federation’s alliance with the Klingons is in danger. With the Empire a wounded animal, it could either become an attacker—or a target. Yet even as hostilities increase, Commander Worf returns to the USS Enterprise and Captain Jean-Luc Picard with a

daring plan of his own. The preservation of both the Empire and the Federation alliance may hinge on an improbable savior leading a most unlikely force....

Escorted by a team sent by an untrusting Federation to watch over her, the emperor journeys to a region forbidden to travelers.
