My second book The Complete TurtleTrader: The Legend, the Lessons, the Results is about the turtles. Forget what you think you know, the inside story is not out there even as of July 1, 2007. The flesh and blood on the bones has never been added – until now. Access was granted to multiple sources (read: turtles, their brokers, their investors, their students, their employees, their former bosses) all on the record.

a complete story from an objective vantage, with so many competing characters and competing agendas, was going to be a serious challenge. Getting those who lived the experience to talk, coupled with sleuth-like research to corroborate everything, was the only way to make this story really come alive. That said, behind the scenes the soap opera of
