Jean's award winning book, The Culture Clash, is a pivotal book in the dog trainer's library because it called into question many sacred assumptions about the origins of behavior and behavior problems. Jean lives in the San Francisco area with her Chow Chow, Buffy.

Culture Clash: A Revolutionary New Way of Understanding ...

The Culture Clash is special. Written in Jean's inimitably informal yet precise lecture style, the book races along on par with a good thriller. The Culture Clash depicts dogs as they really are - stripped of their Hollywood fluff, with their lovable 'can I eat it, chew it, urinate on it, what's in it for me' philosophy.

The Culture Clash: A Revolutionary New Way to ...

The Culture Clash by Jean Donaldson is an excellent, short book on dog behavior and training. I appreciate Donaldson's emphasis on the fact that dogs are animals, not anthropomorphic beings that understand human's sense of right and wrong! Dogs understand safe and dangerous in scenario-based experiences.

Describes ways to help rehabilitate aggressive behavior in dogs, using food and other reinforcers.

Jean Donaldson brings her considerable wisdom -- and wit -- to a wide variety of topics of interest to dog trainers and enthusiasts in this book from Dogwise Publishing. In 55 essays, Jean tackles issues ranging from the nature vs nurture debate, to the role of dominance in domestic dogs, to what are the most effective ways to train dogs. You will note a number of themes that flow throughout the book. Jean is a firm believer in conducting scientific research (verifiable results) rather than forming opinions based on gut feel or taking an anthropomorphic view of dog behavior. She also admits that we are flying blind on many issues because of a lack of research and tells the reader when that is the case. She looks at problem behaviors (problems for humans at least) from the perspective that both a dog's genes and environment impact behavior, and our ability to modify such behaviors is sometimes muddled since we don't always understand how genetics and environment interact. And finally, just what is a Dog Mom (or Dad) and how did that phenomenon develop and what is its genetic usefulness, if any, to both dogs and people?! Along with her other best selling books, Oh Behave! is destined to be a classic in the literature on dog behavior.

The tools you need to think and train like a professional Jean Donaldson is one of the top dog trainers in the United States, and her training academy has gained a reputation as the Harvard for dog trainers and behavioral counselors. Now, you can harness her highly effective dog-training techniques and benefit from her expert guidance without leaving your home. If you're like most dog owners, you treat your four-legged friend as a valued member of the family who enjoys the full run of the house—which is why good behavior is so important. *Train Your Dog Like a Pro* offers a trusted, systematic approach to positive dog training that anyone can follow. You'll get clear, detailed instructions for teaching essential behaviors, more advanced skills, and even some fun tricks. Plus, a bonus DVD shows you exactly how to accomplish each technique. Bonus DVD contains 2 hours and 30 minutes of hands-on instruction. Training is based only on positive reinforcement, patience, and persistence. Donaldson is the best-selling author of *The Culture Clash: The Revolutionary New Way to Understanding the Relationship Between Humans and Domestic Dogs*. Whether you're the proud parent of a puppy, an adolescent, or an adult dog, this book and DVD truly give you everything you need to train your dog like a pro. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Dogdom's most influential dog trainer and behaviorist, Jean Donaldson, is back with a newly revised and expanded edition of her popular *Dogs are from Neptune*. In 41 essays, Jean highlights the common and frequently wrong-headed notions people have about why dogs behave the way they do, and explains what really motivates your pooch and how to change behavior. Jean's innovative ideas are delivered via quirky and witty—but always scientifically based—essays will help create “Aha!” moments for every dog lover on earth. If you loved Jean's best selling *The Culture Clash*, you will enjoy learning more about the dogs who inhabit planet Neptune and the people who don't!

Provides busy parents with simple, realistic advice to help ensure that the relationship between their kids and their dog is safe and enjoyable for all. You will learn how to help your child and dog develop a strong relationship, built on trust and cooperation; set your family up for success with a minimum of effort; recognize canine stress signals and know when your dog is getting worried about normal kid activity; identify serious behavior problems before someone gets hurt; prevent your child from becoming part of a growing statistic--children who have been bitten by a dog.

Excel-erated Learning: Explaining in Clear English How Dogs Learn and How Best To Teach Them reveals the secret for increasing the speed and efficiency of dog training. With the freedom of understanding "how your dog learns" comes the ability of making the process easy, efficient and enjoyable for your dog.
