In The Little Book of Lykke, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table and savoring our time) or dancing the tango like Argentinians in Buenos Aires.

~~The Little Book of Lykke: Secrets of the World's Happiest ...~~

~~Publishers certainly seem to be milking the current interest in Scandinavian lifestyle books; The Little Book of Lykke: The Danish Search for the World's Happiest People is by the author of The Little Book of Hygge: The Danish Way to Live Well, which I found rather lovely. The intention of Wiking's second book is 'to take you treasure hunting; to go in pursuit of happiness; to find the good that does exist in the world - and to bring this into the light so that, together, we can help it spread.'~~

~~The Little Book of Lykke: The Danish Search for the World ...~~

~~Weaving together original research and personal anecdotes, The Little Book of Lykke is a global roadmap for joy that offers a new approach to achieving everyday happiness that not only improve our own lives, but help us build better communities and a better world.~~

~~Join the happiness revolution! The author of the New York Times bestseller The Little Book of Hygge offers more inspiration and suggestions for achieving greater happiness, by practicing Lykke (LOO-ka)—pursuing and finding the good that exists in the world around us every day. While the Danes are the happiest people on the planet, happiness isn't exclusively Danish; cultures around the world have their own unique approaches to leading a contented, fulfilled life. For his work at the Happiness Research Institute in Copenhagen, Meik Wiking travels the globe from Dubai to Finland, Rio de Janeiro to Bhutan, South Korea to the United States, to discover the secrets of the very happiest people. In The Little Book of Lykke, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table and savoring our time) or dancing the tango like Argentinians in Buenos Aires. With his trademark warmth and wit, Meik explores the happiness gap for parents, how much money you really need to buy happiness, how we can be healthier without having to go to the gym, how we can learn to build trust and collaboration, how we can help ourselves by helping others, and why our expectations often outweigh our reality. Weaving together original research and personal anecdotes, The Little Book of Lykke is a global roadmap for joy that offers a new approach to achieving everyday happiness that not only improve our own lives, but help us build better communities and a better world.~~

~~A practical guide to what makes us happy, from the CEO of the Happiness Research Institutue in Copenhagen and bestselling author of The Little Book of Hygge. We all know Denmark is the happiest country in the world—but this doesn't make it pe'rfect. Happiness isn't exclusively Danish. Nor is it just eating pastries, lighting candles, and practising hygge. Happiness is something available to all, wherever you are, and whatever your means. Starting from the Happiness Research Institute in Copenhagen, Meik Wiking, probably the happiest man in the world, travels across the globe on a quest to uncover the secrets of the very happiest people from Dubai to Rio de Janeiro, taking back to his native country their tips, tricks, and unique approaches to a fulfilled life. Exploring the happiness gap for parents, how much money you really need to buy happiness, and why—luckily for us—the expectation of kissing Rachel Weiss is better than the real thing, Meik brings together a global roadmap for happiness with his trademark wit. Weaving together original research and personal anecdotes, The Little Book of Lykke gives us a new approach to achieving everyday happiness.~~

~~Lykke (Luu-kah) (n): Happiness It's easy to see why Denmark is often called the world's happiest country. Not only do they have equal parental leave for men and women, free higher education and trains that run on time, but they burn more candles per household than anywhere else. So nobody knows more about happiness - what the Danes call lykke - than Meik Wiking, CEO of the Happiness Research Institute in Copenhagen and author of the bestselling sensation The Little Book of Hygge. But he believes that, whilst we can certainly learn a lot from the Danes about finding fulfilment, the keys to happiness are actually buried all around the globe. In this captivating book, he takes us on a treasure hunt to unlock the doors to inner fulfilment. From how we spend our precious time, to how we relate to our neighbours and cook dinner, he gathers evidence, stories and tips from the very happiest corners of the planet. This is the ultimate guide to how we can all find a little more lykke in our lives.~~

~~THE INTERNATIONAL, NEW YORK TIMES AND SUNDAY TIMES BESTSELLER, WITH OVER A MILLION COPIES SOLD WORLDWIDE Guaranteed to bring warmth and comfort into your life, The Little Book of Hygge is the book we all need right now. Denmark has an international reputation for being one of the happiest nations in the world, and hygge is widely recognised to be the magic ingredient. Hooga? Hhyooguh? Heurgh? It is not really important how you pronounce or even spell it. What is important is that you feel it. Whether you're cuddled up on a sofa with a loved one, or sharing comfort food with your closest friends, hygge is about creating an atmosphere where we can let your guard down. The definitive, must-read introduction to hygge, written by Meik Wiking, CEO of the Happiness Research Institute in Copenhagen, this book is packed full of original research, beautiful photographs, recipes and ideas to help you add a touch of hygge to your life. 'The best qualified author . . . cosy and engaging' Sunday Express 'Infectiously positive . . . the best beginner's guide' Mail on Sunday 'This book explains everything you need to know about the Danish art of living well' Metro~~

~~What's the actual secret to happiness? Great memories! Meik Wiking—happiness researcher and New York Times bestselling author of The Little Book of Hygge and The Little Book of Lykke—shows us how to create memories that make life sweet in this charming book. Do you remember your first kiss? The day you graduated? Your favorite vacation? Or the best meal you ever had? Memories are the cornerstones of our identity, shaping who we are, how we act, and how we feel. In his work as a happiness researcher, Meik Wiking has learned that people are happier if they hold a positive, nostalgic view of the past. But how do we make and keep the memories that bring us lasting joy? The Art of Making Memories examines how mental images are made, stored, and recalled in our brains, as well as the "art of letting go"—why we tend to forget certain moments to make room for deeper, more meaningful ones. Meik uses data, interviews, global surveys, and real-life experiments to explain the nuances of nostalgia and the different ways we form memories around our experiences and recall them—revealing the power that a "first time" has on our recollections, and why a piece of music, a smell, or a taste can unexpectedly conjure a moment from the past. Ultimately, Meik shows how we each can create warm memories that will stay with us for years. Combining his signature charm with Scandinavian forthrightness, filled with infographics, illustrations, and photographs, and featuring "Happy Memory Tips," The Art of Making Memories is an inspiration meditation and practical handbook filled with ideas to help us make the memories that will bring us joy throughout our lives.~~

~~While the Danish concept of hygge as caught on around the globe, so has lagom—its Swedish counterpart. An essential part of the lagom lifestyle, fika is the simple art of taking a break—sometimes twice a day—to enjoy a warm beverage and sweet treat with friends. This delightful gift book offers an introduction to the tradition along with recipes to help you establish your own fika practice.~~

~~Unplug, relax, and return to the simpler life with these easy, step-by-step ideas for your favorite cottagecore activities including baking from scratch and easy container gardening. Returning to the simpler life has never been easier. Whether you're interested in baking pies from scratch, basic sewing and cross stitch, gardening,~~

beekeeping, or making candles and soaps, this book is full of fun, hands-on activities that make it easy and enjoyable to unplug from modern life. Full of step-by-step instructions and homegrown inspiration, you'll find fun, practical ways to enjoy rustic and relaxing cottagecore activities in your everyday life.

Step aside Hygge. Lagom is the new Scandi lifestyle trend taking the world by storm. This delightfully illustrated book gives you the lowdown on this transformative approach to life and examines how the lagom ethos has helped boost Sweden to the No.10 ranking in 2017's World Happiness Report. Lagom (pronounced 'lah-gom') has no equivalent in the English language but is loosely translated as 'not too little, not too much, just right'. It is widely believed that the word comes from the Viking term 'laget om', for when a mug of mead was passed around a circle and there was just enough for everyone to get a sip. But while the anecdote may hit the nail on the head, the true etymology of the word points to an old form of the word 'lag', which means 'law'. Far from restrictive, lagom is a liberating concept, praising the idea that anything more than 'just enough' is a waste of time. Crucially it also comes with a selflessness and core belief of responsibility and common good. By living lagom you can: Live a happier and more balanced life Reduce your environmental impact Improve your work-life balance Free your home from clutter Enjoy good food the Swedish way Grow your own and learn to forage Cherish the relationships with those you love

'Meik's new book will change the way you think' Dr Rangan Chatterjee _____ From the same author that brought us The Little Book of Hygge, this book reveals the secret to filling your life with happy moments, and how to remember them for ever. Each year we are given 365 days. Some of those days pass us by without leaving a trace, and some days seem to stick in our minds for the rest of our lives. Do you remember your first kiss? Swimming in the sea on holiday? The first time you drove a car? Research has shown that when our senses are stimulated and when we are conscious of our emotions, we are more likely to recall those precious moments - which is why the butterflies in your tummy, the sun on your skin or the thrill of sitting at the wheel probably flood back to you so easily. But those happy memories don't have to be reserved for big life events. Drawing on global surveys, behavioural science experiments and data gathered by The Happiness Research Institute in Copenhagen, Meik is here to show how we can we can turn ordinary experiences into something extraordinary. Whether it's eating dinner at the table rather than in front of the TV, exploring a new part of your neighbourhood, or planning how you're going to celebrate your small wins, this book will help you find the magic in the every day, and create memories you will cherish forever.
