The scrolls include details on the 18 years of Jesus' life missing from the Bible that could change Christianity. Fearing what the release of this information could do to the two billion dollar Christian tourist industry, the Israeli Minister of Tourism solicits the help of a corrupt financial officer of a fundamentalist mega church in the United States.

The original manuscript, commonly referred to as The Lost Jesus Scroll, is now housed in the Archives of the Roman Vatican. It came into the Vatican's protective custody through the hands of Nestorian priests who were forced to flee from the East in order to escape slaughter by the advancing Genghis Khan.

Joyce says in his book that the scroll was sneaked aboard an airplane by Dr. Grosset, who then most likely took it to Russia to strike a deal with Soviet leaders. [6] Joyce proposed controversial theories concerning the historicity of Jesus that caused outrage among many Christians, and for which he received numerous death threats.

In his book *The Jesus Sutras*, translator and interfaith pioneer Martin Palmer begins to shed light on what he has come to call Taoist Christianity, referring to ancient texts found only a century ago and drawing on his own sleuthing in China. In a book of ambitious scope, Palmer recounts Christianity's spread eastward from Jerusalem, where it encountered and adapted to local cultures.

The Dead Sea Scrolls (also the Qumran Caves Scrolls) are ancient Jewish religious manuscripts that were found in the Qumran Caves in the Judaean Desert, near Ein Feshkha on the northern shore of the Dead Sea in the West Bank. Scholarly consensus dates these scrolls from the last three centuries BCE and the first century CE.

~~Dead Sea Scrolls - Wikipedia~~

Among them, written in Chinese, were scrolls that recounted a history of Jesus' life and teachings in beautiful Taoist concepts and imagery that were unknown in the West. These writings told a story of Christianity that was by turns unique

The crux of the matter lies in the scroll of St. Thomas itself. Indeed, in 1945 a historic find was made near the town of Nag Hammadi in Egypt. There, amid other ancient scrolls written near the time of Christ, was a scroll the movie Stigmata calls the scroll of St. Thomas, but is better known as the Gospel of Thomas. According to the scroll itself, the contents are a compendium of many saying of Jesus, both proverbs and quotes.

~~Stigmata: Is the Gospel of Thomas the Lost Words of Jesus?~~

The Lost Jesus Scroll is one of the most remarkable discoveries of the last century, perhaps more important than the Dead Sea Scrolls. John the Beloved wrote the scroll about the same time he wrote his famous Revelation.

These are the secret sayings which the living Jesus spoke and which Didymos Judas Thomas wrote down. (1) And he said, "Whoever finds the interpretation of these sayings will not experience death." (2) Jesus said, "Let him who seeks continue seeking until he finds. When he finds, he will become troubled.

The Lost Jesus Scroll is one of the most remarkable discoveries of the last century. The text defines a path by which every human can raise his or her Divine Nature from the limitations of mortality. (Christian)

A major new work on the Dead Sea Scrolls, the oldest sacred documents of Judaism, which reveals their surprising connections to early Christianity. □A luminous treatment of a fascinating subject! Highly recommended!□□Scott Hahn, author of *The Fourth Cup* From award-winning scholar John Bergsma comes an intriguing book that reveals new insights on the Essenes, a radical Jewish community predating Christianity, whose existence, beliefs, and practices are often overlooked in the annals of history. Bergsma reveals how this Jewish sect directly influenced the beliefs, sacraments, and practices of early Christianity and offers new information on how Christians lived their lives, worshipped, and eventually went on to influence the Roman Empire and Western civilization. Looking to Hebrew scripture and Jewish tradition, Bergsma helps to further explain how a simple Jewish

# Bookmark File PDF The Lost Jesus Scroll

peasant could go on to inspire a religion and a philosophy that still resonates 2,000 years later. In this enriching and exciting exploration, Bergsma demonstrates how the Dead Sea Scrolls—the world's greatest modern archaeological discovery—can shed light on the Church as a sacred society that offered hope, redemption, and salvation to its member. Ultimately, these mysterious writings are a time machine that can transport us back to the ancient world, deepen our appreciation of Scripture, and strengthen our understanding of the Christian faith. "An accessible introduction . . . This is a handy entry point for readers unfamiliar with Essenes or those interested in the Dead Sea Scrolls." Publishers Weekly

When Dr. Jonathan Munro's house is broken into, and his former best friend and colleague, archaeologist Stephen Kaufman, is knifed in the streets of Ankara, he is thrust into a world of international criminals who will stop at nothing to claim the priceless artifact Dr. Kaufman unearthed - a scroll revealing the location of the missing original manuscripts of the New Testament. Is it the find of the century, or a costly fraud? As he flees with Isabel, Kaufman's beguiling sister, Dr. Munro finds himself pursued by relentless mercenaries intent on seizing this incalculable treasure for themselves. Through some of Christianity's most revered historical sites, he and Isabel must race to unravel the clues and find the scrolls before they fall into the wrong hands. Available in both paperback and Kindle E-book

Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional

# Bookmark File PDF The Lost Jesus Scroll

dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, *Who Wrote the Dead Sea Scrolls?* sets a new standard for studies in intertestamental history "This book is 'must reading'.... It demonstrates how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology...." Dr. Gregory T. Armstrong, 'Church History' Golb "gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls. His book is also... a fascinating case-study of how an idee fixe, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls...." Daniel O'Hara, 'New Humanist'

For centuries Christian students of the Bible have wondered where Jesus was and what he did during the so-called "eighteen silent years" between the ages of twelve and thirty. The amazing and dramatic scrolls of the great Essene library

# Bookmark File PDF The Lost Jesus Scroll

found in cave after cave near the Dead Sea have given us the answer at last. That during those "lost years" Jesus was a student at this Essene school is becoming increasingly apparent. Scholars are gradually admitting the startling parallels between his doctrines and vocabulary and those of the Essenes and their "Teacher of Righteousness," who was evidently executed nearly a century before the birth of Jesus. It is to his title and authority that Jesus probably succeeded.

The "Lost Gospels" refer to the Dead Sea Scrolls and the Nag Hammadi Library, both discovered in the 1940s. The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt. These did not appear in English for 32 years, because the right to publish was contended by scholars, politicians, and antique dealers. The Dead Sea Scrolls, discovered in clay jars in Palestine by a goatherder in 1947, weathered similar storms. The first team of analysts were mostly Christian clergy, who weren't anxious to share material that frightened church leaders. As Dr. Hoeller shows, they rightly feared the documents would reveal information that might detract from unique claims of Christianity. Indeed, the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments.

Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as

# Bookmark File PDF The Lost Jesus Scroll

astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia.

In the latest volume of the distinguished Anchor Bible Reference Library, the author of *Jesus Within Judaism* explains why the Dead Sea Scrolls have been called the greatest archaeological find of the millennium and how they have revolutionized our understanding of Jesus of Nazareth. Photographs and drawings.
