The River Thames: episode 1 **The Thames Ironworks A History**
The Thames Ironworks and Shipbuilding Company, Limited was a shipyard and iron works straddling the mouth of Bow Creek at its confluence with the River Thames, at Leamouth Wharf on the west side and at Canning Town on the east side. Its main activity was shipbuilding, but it also diversified into civil engineering, marine engines, cranes, electrical engineering and motor cars. The company notably produced iron work for Isambard Kingdom Brunel's Royal Albert Bridge over the Tamar in the 1850s, an

Thames Ironworks and Shipbuilding Company - Wikipedia

Brian Belton is author of around 70 books, including titles on sport, soccer, and in particular West Ham. After a youth career on the cusp of crime and oblivion he became a youth worker, gaining professional qualifications, which were followed by a BSc, Masters degree, and PhD.

The Thames Ironworks: A History of East London Industrial...

Thames Ironworks Football Club, the club that later became West Ham United, was founded by Thames Ironworks and Shipbuilding Co. Ltd owner Arnold Hills and foreman Dave Taylor in 1895. Thames Ironworks took over the tenancy of The Old Castle Swifts' Hermit Road ground in Canning Town until their eventual eviction in October 1896. They would briefly play at Browning Road in East Ham, before moving to the Memorial Grounds, a stadium which was situated close to where West Ham station now stands. Th
