A Sunday Times Top 10 bestseller. Ancient secrets buried deep in Glastonbury’s past – and one woman’s quest to finally set them free.

Examines such phenomena as black holes, wormholes, singularities, gravitational waves, and time machines, exploring the fundamental principles that control the universe.

This collection of essays chronicles the life and accomplishments of the attorney who led the struggle for desegregation in South Carolina, served as a primary legal advocate in the national civil rights movement, and became South Carolina’s first African American U.S. District Court judge. Although Perry is well known in his home state he is sometimes obscured on the national stage by the shadows of Thurgood Marshall, J. Waties Waring, and Charles Hamilton Houston.

Hamilton and Daniell have creatively taught us how to weavetogether the threads of lineage that create family legacy. Theyhave also clarified the vision of what family leaders look like whoare the master weavers of such threads. This all leads towardteaching us how to create and guide our families, and those weserve, to seven and more generations of successful, generative andflourishing lives as individuals and as family. We owe their work adept debt of gratitude and a bow of appreciation. James (Jay) E. Hughes, Jr. Author, Family: The Compact Among Generations Mark Daniell and Sara Hamilton have written a book that willbecome a real reference for families wishing to establish along-term strategy for building an enduring legacy for generations.It contains a wealth of ideas, strategy prescriptions, casehistories, and anecdotes that will give the family leader andmembers of the "tribe" a true guide to building asystem that will endure the test of time. I recommend it tofamilies in Asia and beyond. Dr. Victor K. Fung Chairman, Li & Fung Group This is a superb book—unique and full ofexamples—on the vision of legacy and the role offamily leadership. It is also a comprehensive guide to riskmanagement with a special spirit for wise risk-taking. Daniell andHamilton draw on the unique experience of the Family OfficeExchange and its many hundreds of members and scores of studies todefine the role of family leadership more fully and inspiringlythan ever. This book makes the challenges vivid and the path clearfor successful families to preserve both their wealth and theirpurpose. John L. Ward Principal, The Family Business Consulting Group Family Legacy and Leadership is an innovative, usefultrend of theory and practice; and of the hard and soft issues thatfamilies face. It offers ideas, insights, and tools that will helpfamilies of all types find their path through change. Melissa A. Berman President & CEO, Rockefeller Philanthropy Advisors

A reappraisal of Emperor Yang of the Sui dynasty, finding that his legacy provided the foundation for the celebrated civilization of the Tang dynasty. Looking at the life and legacy of Emperor Yang (569–618) of the brief Sui dynasty in a new light, this book presents a compelling case for his importance to Chinese history. Author Victor Cunrui Xiong utilizes traditional scholarship and secondary literature from China, Japan, and the West to go beyond the common perception of Emperor Yang as merely a profligate tyrant. Xiong accepts neither the traditional verdict against Emperor Yang nor the apologist effort to revise it, and instead offers a reassessment of Emperor Yang by exploring the larger political, economic, military, religious, and diplomatic contexts of Sui society. This reconstruction of the life of Emperor Yang reveals an astute visionary with literary, administrative, and reformist accomplishments. While a series of strategic blunders resulting from the darker side of his personality led to the collapse of the socioeconomic order and to his own death, the Sui legacy that Emperor Yang left behind lived on to provide the foundation for the rise of the Tang dynasty, the pinnacle of medieval Chinese civilization. Victor Cunrui Xiong is Professor of History at Western Michigan University and the author of Sui-Tang Chang'an: A Study in the Urban History of Late Medieval China.

As if Sean doesn't have enough problems, it seems that the crazies have finally decided to take him on. Whether it's fanatics who think he's the devil incarnate, or just people looking for any excuse to spread carnage, they've decided that Sean and the lycans present a problem that needs to be eliminated. Then there's that leak in Washington, apparently they didn't remove all of the demonic influences from D.C. like they thought they had.But even with this added complication to the war, Sean's still very happy to be home once again and back in the arms of his loving wives and family. Estrella's also happy to be back on the side of the gateway on which she belongs, not to mention having finally found a husband and a family. Though things may have changed just a little bit since she left.WARNING: "Trying Times" contains explicit sexuality, nudity, violence, bad language, robbery, murder, demons doing nasty things, spoiled rich kids, self-defense, pro-active self-defense, destruction of public property, unscrupulous and manipulative people, polyamory, explicit sex, group sex, mayhem, more demons, people who aim to misbehave, gratuitous sex and violence, some poor people who deserved better, and a nod to an old singing duo who were quite talented.

On February 15, 1961, all 18 members of the U.S. World Figure Skating Team were killed in a plane crash, along with 16 coaches, officials, and family members. Frozen in Time takes readers inside the lives of the young skaters who died in the crash, revealing their friendships, romances, rivalries, sacrifices, and triumphs. The dramatic focus lingers on two families of powerful women: the Owens and the Westerfelds. Maribel Owen, the most famous woman in figure skating at the time, relentlessly drives her two young daughters—pairs champion Mara and the spectacular Laurence, who graced the cover of Sports Illustrated on the day she died. Myra Westerfeld, meanwhile, loses her marriage while guiding her daughters Sherri and Steffi to the pinnacle of the sport. Along with the bittersweet personal stories, author Nikki Nichols recounts the U.S. skating program's lengthy struggle to rebuild after this devastating accident.

A compilation of the recorded life, times, and influence of a Roman legend, Cincinnatus and the Citizen-Servant Ideal captures the essence of human virtue as it was embodied in the Roman Republic’s earliest days. Describing Cincinnatus’s recorded life and times, Hillyard traces the legend’s major interpretations from its origin amidst early Roman culture through contemporary times. In its impact on some of the world’s leading thinkers and leaders, such as Livy, George Washington, Henry Knox, Harry Truman, and others, the Cincinnatus legend is described in the many interesting forms it has taken over two millennia. Carried throughout the narrative is the timeless nature of the Cincinnatus ideal?the central issues of the role of citizen and leader in society.

**#1 NEW YORK TIMES BESTSELLER** The undisputed master returns with his first Smiley novel in more than twenty-five years—a #1 New York Times bestseller and ideal holiday gift. Peter Guillam, staunch colleague and disciple of George Smiley of the British Secret Service, otherwise known as the Circus, is living out his old age on the family farmstead on the south coast of Brittany when a letter from his old Service summons him to London. The reason? His Cold War past has come back to claim him. Intelligence operations that were once the toast of secret London, and involved such characters as Alec Leamas, Jim Prideaux, George Smiley and Peter Guillam himself, are to be scrutinized by a generation with no memory of the Cold War and no patience with its justifications. Interweaving past with present so that each may tell its own intense story, John le Carré has spun a single plot as ingenious and thrilling as the two predecessors on which it looks back: The Spy Who Came in from the Cold and Tinker Tailor Soldier Spy. In a story resonating with tension, humor and moral ambivalence, le Carré and his narrator Peter Guillam present the reader with a legacy of unforgettable characters old and new.

In 1914, Joe Hill was convicted of murder in Utah and sentenced to death by firing squad, igniting international controversy. Many believed Hill was innocent, condemned for his association with the Industrial Workers of the World-the radical Wobblies. Now, following four years of intensive investigation, William M. Adler gives us the first full-scale biography of Joe Hill, and presents never before published documentary evidence that comes as close as one can to definitively exonerating him. Joe Hill’s gripping tale is set against a brief but electrifying moment in American history, between the century’s turn and World War I, when the call for industrial unionism struck a deep chord among disenfranchised workers: when class warfare raged and capitalism was on the run. Hill was the union’s preeminent songwriter, and in death, he became organized labor’s most venerated martyr, celebrated by Woody Guthrie and Bob Dylan, and immortalized in the ballad “I Dreamed I Saw Joe Hill Last Night.” The Man Who Never Died does justice to Joe Hill’s extraordinary life and its controversial end. Drawing on extensive new evidence, Adler deconstructs the case against his subject and argues convincingly for the guilt of another man. Reading like a murder mystery, and set against the background of the raw, turn-of-the-century West, this essential American story will make news and expose the roots of critical contemporary issues.
