Clear Unambiguous English: You will learn how to write short clear sentences and paragraphs whose meaning will be immediately clear to the reader. Layout and Order Information: Here you will find guidelines on style issues, e.g., headings, bullets, punctuation and capitalization. Typical Grammar and Vocabulary Mistakes: This section is divided alphabetically and covers grammatical and vocabulary issues that are typical of user manuals.

What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for.
