'Thoroughly researched and fascinating' Observer 'Wondrous ... a formidable piece of scholarship' Bookanista In 1939, the Gestapo created a list of names: the Britons whose removal would be the Nazis' first priority in the event of a successful invasion. Who were they? What had they done to provoke Germany? For the first time, the historian Sybil Oldfield uncovers their stories and reveals why the Nazis feared their influence. Those on the hitlist - more than half of them naturalised refugees - were many of Britain's most gifted and humane inhabitants. Among their numbers we find the writers E. M. Forster and Virginia Woolf, humanitarians and religious leaders, scientists and artists, the social reformers Margery Fry and Eleanor Rathbone MP, the artists Jacob Epstein and Oscar Kokoschka. By examining these targets of Nazi hatred, Oldfield not only sheds light on the Gestapo worldview; she also movingly reveals a network of truly exemplary Britons: mavericks, moral visionaries and unsung heroes.

In a story where the text appears in white letters on a black background, as well as in braille, and the illustrations are also raised on a black surface, Thomas describes how he recognizes different colors using various senses.

A boy arrives at a remote village in the dead of night. His name is Ludlow Fitch—and he is running from a most terrible past. What he is about to learn is that in this village is the life he has dreamed of—a safe place to live, and a job, as the assistant to a mysterious pawnbroker who trades people's deepest, darkest secrets for cash. Ludlow's job is to neatly transcribe the confessions in an ancient leather-bound tome: The Black Book of Secrets. Ludlow yearns to trust his mentor, who refuses to

disclose any information on his past experiences or future intentions. What the pawnbroker does not know is, in a town brimming with secrets, the most troubling may be held by his new apprentice.

The liberal class plays a vital role in a democracy. It gives moral legitimacy to the state. It makes limited forms of dissent and incremental change possible. The liberal class posits itself as the conscience of the nation. It permits us, through its appeal to public virtues and the public good, to define ourselves as a good and noble people. Most importantly, on behalf of the power elite the liberal class serves as bulwarks against radical movements by offering a safety valve for popular frustrations and discontentment by discrediting those who talk of profound structural change. Once this class loses its social and political role then the delicate fabric of a democracy breaks down and the liberal class, along with the values it espouses, becomes an object of ridicule and hatred. The door that has been opened to proto-fascists has been opened by a bankrupt liberalism. *The Death of the Liberal Class* examines the failure of the liberal class to confront the rise of the corporate state and the consequences of a liberalism that has become profoundly bankrupt. Hedges argues there are five pillars of the liberal establishment — the press, liberal religious institutions, labor unions, universities and the Democratic Party — and that each of these institutions, more concerned with status and privilege than justice and progress, sold out the constituents they represented. In doing so, the liberal class has become irrelevant to society at large and ultimately the corporate power elite they once served.

Detective Billy Harney ' s reputation as a dirty cop may be the only thing keeping Chicago clean in James Patterson ' s most critically-acclaimed thriller since *The Black Book*. For Detective Billy Harney, getting shot in the head, stalked by a state ' s attorney, and accused of murder by his fellow cops is a normal week on the job. So when a drive-by shooting on the Chicago's west side turns political, he leads the way to a quick solve. But Harney's instincts -- his father was once chief of detectives and his twin sister, Patti, is also on the force -- run deep. As a population hungry for justice threatens to riot, he realizes that the three known victims are hardly the only casualties. When Harney starts asking questions about who's to blame, the easy answers prove to be the wrong ones. On the flip side, the less he seems to know, the longer he can keep his clandestine investigation going ... until Harney's quest to expose the evil that's rotting the city from the inside out takes him to the one place he vowed never to return: his own troubled past.

"Just brilliant."—Kirkus Reviews Heavily autobiographical and infused with magical realism, *Black Girl Unlimited* fearlessly explores the intersections of poverty, sexual violence, depression, racism, and sexism—all through the arc of a transcendent coming-of-age story for fans of Renee Watson's *Piecing Me Together* and Ibi Zoboi's *American Street*. Echo Brown is a wizard from the East Side, where apartments are small and parents suffer addictions to the white rocks. Yet there is magic . . . everywhere. New portals begin to open when Echo transfers to the rich school on the West Side, and an insightful teacher becomes a pivotal mentor. Each day, Echo travels between two worlds, leaving her brothers, her friends, and a piece of herself behind on the East Side. There are dangers to leaving behind the place that made you. Echo soon realizes there is pain flowing through everyone around her, and a black veil of depression threatens to undo everything she ' s worked for. Christy Ottaviano

An award-winning journalist envisions the future of leadership, excellence, and prosperity in Black America with this "urgent and pathbreaking" work (Marc Lamont Hill). Hard-hitting, thought-provoking, and inspiring, *Conversations in Black* offers sage wisdom for navigating race in a radically divisive America, and, with help from his mighty team of black intelligentsia, veteran journalist Ed Gordon creates hope and a timeless new narrative on what the future of black leadership should look like and how we can get there. In *Conversations in Black*, Gordon brings together some of the most prominent voices in black America today, including Stacey Abrams, Harry Belafonte, Charlamagne tha God, Michael Eric Dyson, Alicia Garza, Jemele Hill, Iyanla VanZant, Eric Holder, Killer Mike, Angela Rye, Al Sharpton, T.I., Maxine Waters, and so many more to answer questions about vital topics affecting our nation today, such as: Will the black vote control the 2020 election? Do black lives really matter? After the Obama presidency, are black people better off? Are stereotypical images of people of color changing in Hollywood? How is "Black Girl Magic" changing the face of black America? Bombarded with media, music, and social media messages that enforce stereotypes of people of color, Gordon sets out to dispel what black power and black excellence really look like today and offers a way forward in a new age of black prosperity and pride.
